Dear Jorgensen Forge Employee:

Congratulations on winning your election and voting for the International Association of Machinists and Aerospace Workers (IAM) as your Union representative! We now have an important task ahead of us. Even though the majority of Jorgensen Forge employees supported the IAM, not everyone supported having Union representation. We now need to unite as a group because **everyone** will be affected by the upcoming negotiations.

We are compiling an information request to your employer which will include a request for negotiation dates. Continue to monitor your web site at <http://www.voteyesiam.com/jfc/> for updates.

Remember, we need to continue supporting each other to negotiate a successful Collective Bargaining Agreement that addresses your issues. To help gain more of the "union experience" and talk to other IAM members and their families, plan on attending a Membership Appreciation barbecue next week:
