

Congratulations!

You Reached Your Goal!

We have contacted the National Labor Relations Board (NLRB) and filed for an election

A large majority of you and your co-workers stood up and said “UNION YES” because you want to improve your wages, hours, benefits and working conditions.

Because of your efforts, the Machinists Union has filed the proper paperwork on your behalf with the NLRB to hold an election where you and your co-workers can vote YES for the International Association of Machinists and Aerospace Workers to be your legal representative.

It is more important than ever for you to stay involved, share information with co-workers and attend union informational meetings so you can get all your questions answered.

Also, if you know anyone who is being intimidated or coerced for exercising their federally protected right to a fair election, we want to talk to that person and get additional information. Please email this information to us at iamtect@iam751.org.

We will stay in contact throughout this process. In the meantime, keep up to date by visiting your website at www.voteyesiam.com/tect.

**UNION
YES**

**UNION
YES**

**UNION
YES**

Machinists Union Pet Charity

Guide Dogs of America

Guide Dogs of America is one of the only guide dog schools in the country that grants puppy raisers the privilege of naming the puppy they will raise. Those puppies will go on to become guide dogs and change someone's life.
