

***Don't miss this
Meeting!***

UTC Aerospace Systems Landing Gear

Negotiations will start soon and it's important to stay informed and united as a group. Please make every effort to attend this meeting to learn about the negotiation process and discuss potential proposals for a first contract (see other side for explanation of negotiation process). This is your chance to raise issues you want to see addressed.

**Friday, May 18, 2018
IAM Everett Union Hall
8729 Airport Road
3:15 PM**

Questions?

**Feel free to contact Richard Jackson at
